

Acceptable Standardized Tests Scores for G30IBP **(October 2023 Enrolment)**

The Global30 International Bioengineering course (G30-IBP) at the Graduate School of Engineering accepts the following standardized tests scores as a temporary remedy to the regular standardized tests.

Note this special remedy is effective only for application for October 2023 enrolment.

- 1) In case applicants have already taken the standardized tests mentioned below before the regular tests become available, the Global 30 Program accepts them.
- 2) Test takers of English language tests, which are not mentioned below, should consult with the Global 30 Office in advance.
- 3) Applicants who cannot take these standardized tests due to test cancellations and postponements on the day of the test, etc., should directly consult with the Global 30 Program Office through an e-mail after creating your T-cens account. Indicate your name and your T-cens application number for your quick identification.

1. How to submit the Standardized Test Scores

Standardized Tests	1) Upload onto T-cens	2) Submission
TOEFL iBT	Please upload your score report from external testing centers via T-cens. A copy of either Test Taker (Examinee) Score Report, or A screen shot from My TOEFL Home	All applicants should make a request to the test center for a score (to be issued) and to send the official test score to Graduate School of Engineering, the University of Tokyo. The Global 30 Office mainly uses the ETS Data Manager (EDM). Please note that a test taker's score information will appear in the ETS Data Manager only if the test taker specifically directed ETS to send scores to Graduate School of Engineering, the University of Tokyo.
