- 1 Regarding TOEFL: One copy of your TOEFL score is required. You do not have to submit the original official score report. Please do not send it directly from ETS Center to the University of Tokyo. Please make sure to upload the documents before the online application deadline.
- 2 Regarding the certificate of English as the medium of instruction from your university: One original or one copy attested by your university is required. Note that if you submit a copy, the copy must be attested by the university. A copy of the original document without this attestation will not be accepted. If the language of instruction is stated in your transcript, you do not have to submit the certificate of English as medium of instruction. In that case, please highlight the part which states it.
